SUMMER 2022

Our Mission: We help women and single-parent families move from homelessness to self-sufficiency.

Breakfast Fundraiser Success! Thank you for being the Key to Change

We were thrilled to be back in person for our annual fundraising breakfast — it was wonderful to see so many friends and supporters of Theresa Living Center. We had a great turnout and raised more than \$100,000. A special thank you to the alumna from the College of St. Benedict for the challenge grant of \$25,000.

Thanks to you, more women and single parent families will be supported in the coming year. We appreciate you and your support!

Li'l Farm Children's Home Continues to Impact the Lives of Others

Twenty-five years ago, Sister Francette Malecha and Sister Margaret Roozen, founded the Li'l Farm Children's Home in Cambridge, MN. The organization was formed to provide foster care, respite care and emergency placement for young children — and it certainly fulfilled that mission.

During their time with the organization, the two sisters went on to parent over 400 children, giving those who needed one a home.

Even after retirement, Sister Francette and Sister Margaret's commitment to serving others is evident. The two recently stopped

by Theresa Living Center with a generous donation of almost \$200,000. We are honored by their belief in our mission and incredibly grateful for their support!

A Note from Angie

Hello, everyone!

I likely met a few of you at the fundraising breakfast, but I thought I'd introduce myself here.

I come to Theresa Living Center with a wealth of experience in serving people in need of support, particularly in the area of needing housing and stability in their life. I have over 20 years of experience working with individuals who have developmental disabilities and chronic mental health disorders. Before coming to TLC, I worked at Bridges, MN as a Community Outreach Director. I assisted individuals with disabilities and mental health issues secure housing and support services.

I'm so happy to be here and am eager to see what this new chapter holds!

Angie Hays
TLC Executive Director

TLC UPDATE: Twelve Consulting Group Partnership

Earlier this year we announced a new partnership with [Twelve Consulting Group](#) — it's time to share what they've been up to! As a community partner, Twelve Consulting has been dedicated to investing their time, talents and resources to support our mission.

Donation Drive

This summer, Twelve Consulting organized a donation drive to gather personal care items for individuals in our program. They recently dropped off the collected donations!

TLC News & Notes

Welcome New Board Members

We recently added new board members Sophia Madison and Lauren Dwyer. Thank you for stepping up to serve Theresa Living Center!

Thank You, Lucy!

After more than 9 years of dedicated service with Theresa Living Center, Lucy has stepped down from her role as Executive Director. We thank Lucy for everything she has done for TLC — and wish her all the best!

CRM Research

Research and implementation of new CRM technology is currently underway. The technology will be used by our admin team and case managers — it will convert all our client caseload documents to electronic files!

We were also honored to have some of the team join us for our fundraising breakfast earlier this summer — **they filled two full tables!** We're grateful for this partnership and are excited to see what's next. Stay tuned!
