## TLC Graduation & Annual Picnic

This year, we switched things up and combined our graduation and annual picnic into one big celebration! It provided a great opportunity to get together and acknowledge the achievements of our program participants and graduates.

Over 50 program participants, staff, board members and volunteers joined

us on Thursday, August 25, at Theresa Living Center for the special event. Eleven graduates were recognized for their hard work in the TLC residential program and all their successes.

Kids enjoyed a snow cone machine, and the beautiful summer weather was appreciated by all! Special thanks to musicians Joyce Simonson and Mark

Olien, from the duo Ahead of the Curve, for providing live music for the event. And thank you to our board and volunteers for all your help organizing such a fun event. Check out some images from the day below!

Congratulations to all of our graduates for their achievements while at TLC. Best wishes for your continued success!
